

# Siddhant International School,Sudumbare

## Annual Report (2021-2022)

The academic session is very special in the history of Siddhant International School as it established our affiliation as a Secondary school till class XII with the Central Board of Secondary Education. But the onset of the pandemic Covid 19 forced a total shift in the Teaching learning process from an offline or physical mode to an online mode. It threw before us a difficult challenge of keeping the students connected to school and teachers through Google meet, Google forms, Video presentations, U tube videos and many virtual modes. Siddhant International School accepted this task with confidence and made a smooth transition to the online mode in early April 2021 itself. Teachers started conducting their online lectures with attractive and informative Power point presentations, online activities and even conducted the Periodic tests and Half Yearly Exams through the online medium.

### Student Enrichment Programmes:-

Just like every year, this year too our students actively participated in all school activities and competitions – but with a difference i.e in the virtual mode. These included singing competition, dance competition, Marathi poem singing competition, drawing and poster making competition, greeting card making competitions in the pre primary and primary sections.

This academic session all sports activities were conducted virtually like Mass P.T, Yoga and meditation, familiarising students with the rules of both indoor and outdoor games. Students Achievements in Inter School Competitions and Competitive Exams Students participated in various competitive exams throughout the year. The main purpose behind encouraging students to participate in these competitions is to improve their concentration, time management skills, sharpen their mental ability and problem solving techniques. Students actively participated in various other competitions held outside the school.

Students actively participated in various competitions organised by CBSE. These included **Swachh Baharat Abhiyan, International , Reading Challenge, Marathi Rajbhasha diwas ,School Garden Activity, Constitution day,MHM Session for girls ,Pariksha Pe Charcha** etc The session 2021-22 has been one of progress and achievement.

Festivals and celebrations like Holi, Christmas, Rakshabandhan, Ganesh Festival, Bhondla etc. are also an integral part of the student's development. All national, religious and regional festivals are held throughout the year to educate the children about the rich cultural and

religious heritage of India. These events sensitize the students towards living in harmony in a diverse society – and encourage them to pay respect to the customs and traditions of all religious communities. Moral education is an essential part of the school curriculum.
